Updates to the EVV Personal Care Services and Home Health Care Services Bill Codes Tables

Background:

HHSC published a new version of the Electronic Visit Verification (EVV) Personal Care Services (PCS) Bill Codes Table and the EVV Home Health Care Services (HHCS) Bill Codes Table. Reference the revision history for more information about what was updated. The tables are available on the EVV webpage in Excel and PDF formats.

The new version includes:

- Community Living Assistance and Support Services (CLASS)/Deaf Blind with Multiple Disabilities (DBMD): Updated the "Units Matched During EVV Claims Matching?" field to "YES" for HCPCS G0100, in the EVV PCS Bill Codes Table v12.2. This change was effective Oct. 30, 2026.
- Medicare-Medicaid Plan (MMP): Removed MMP from the HHCS Bill Codes Table. The MMP program ended on Dec. 31, 2025.
- STAR Kids: Removed RN Training and Supervision of Delegated Tasks (HCPCS G0495 and modifier U6 combination) in the EVV HHCS Bill Codes Table v2.2. This change was effective Nov. 1, 2026.

For questions about the EVV PCS and EVV HHCS bill codes, email HHSC EVV Operations.
