

New Tribal Specific H-Codes Notice for Traditional Healing

The Centers for Medicare & Medicaid Services (CMS) has published new 2025 Healthcare Common Procedure Coding System (HCPCS) coding determinations. Within this guidance, CMS introduced and defined two new HCPCS codes specific to Missing and Murdered Indigenous Persons (MMIP) and indigenous historical trauma. [Traditional Healing FAQs](#)

AHCCCS will open these new H-codes on January 1, 2026, as descriptor codes.
