

Arizona: Vaccines for Children Renewal Required by August 31!

Health care professionals enrolled in the Arizona Vaccines for Children (VFC) program must renew their enrollment by Aug. 31, 2026. If you fail to re-enroll, you may be inactivated from the VFC program for non-compliance and members under age 18 may be removed from your panel. Please avoid disruption to your practice by completing your re-enrollment today. See: [2026 Provider Cover Letter.docx](#)
