

## **2025 HCPCS and Physician-Administered Drug Reimbursement Updates**

UnitedHealthcare Community Plan of Louisiana (UHC) is sharing [IB 25-17: 2025 HCPCS and Physician-Administered Drug Reimbursement Updates](#) on behalf of the Louisiana Department of Health. Louisiana Medicaid has updated its fee-for-service (FFS) files to include new and revised Healthcare Common Procedure Coding System (HCPCS) codes, effective for services rendered on or after January 1, 2025. These updates were reflected in the May 20, 2025 remittance advice.

Reimbursement rates for physician-administered drugs (PAD) under Professional Services are being updated. New rates, based on wholesale acquisition costs, will be phased in over the coming weeks.

UHC will update its system to incorporate these changes within 30 days of this notification. It will also reprocess any claims not paid in accordance with the 2025 HCPCS and physician-administered drug updates within 30 days of this notice.
