

New benefit for pregnant and postpartum members

Effective April 1, 2025, we're introducing a new member benefit that provides access to home blood pressure monitoring devices. The benefit applies to a person of any age or gender that is currently pregnant or in postpartum period and has TennCare or Children's Health Insurance Program (CHIP) coverage.

We won't require prior authorization if the health care professional submits a claim with a qualifying diagnosis code.

Qualifying ICD-10 diagnosis codes

O codes

These codes relate to pregnancy, childbirth and puerperium.

O00-O08	Pregnancy with abortive outcome
O10-O16	Edema, proteinuria and hypertensive disorders in pregnancy, childbirth and the puerperium
O20-O29	Other maternal disorders predominantly related to pregnancy
O30-O48	Maternal care related to the fetus and amniotic cavity and possible delivery problems
O60-O77	Complications of labor and delivery
O80-O82	Delivery
O85-O92	Complications predominantly related to the puerperium
O94-O99	Other obstetric conditions, not elsewhere classified

Z codes

Z33	Pregnant state, incidental
Z34	Encounter for supervision of normal pregnancy
Z35	Encounter for supervision of high-risk pregnancy
Z36	Encounter for antenatal screening of mother
Z37	Outcome of delivery
Z38	Liveborn infants according to place of birth and type of delivery
Z39	Encounter for maternal postpartum care and examination
Z3A	Weeks of gestation
Z39.2	Encounter for routine postpartum follow-up

What you need to do

1. Create an order for the automated blood pressure monitoring device of the wrist or upper arm by including the HCPCS code A4670 and a qualifying diagnosis
2. Fax the order to one of the following in-network durable medical equipment (DME) providers with the qualifying member's insurance and demographic information:
 - AdaptHealth: (P) 844-727-6667, [adapthealth.com](https://www.adapthealth.com)
 - Byram Healthcare: (P) 877-902-9726, [byramhealthcare.com](https://www.byramhealthcare.com)
 - Edgepark Medical Supply: (P) 800-321-0591, [edgepark.com](https://www.edgepark.com)

The member will then receive the blood pressure monitoring device within 2–4 weeks.
