

**An Important Message from  
The Texas Health and Human Services Commission (HHSC)**

**VDP to Remove Imvexxy NDC From Medicaid and CHIP Formularies on  
Feb. 21, 2025**

**Background:**

VDP will remove Imvexxy (NDC 68308-0747-08) from the Medicaid and CHIP formularies effective Friday, Feb. 21, 2025.

**Key Details:**

VDP added the NDC in error, as it does not qualify for addition to the formulary based on [TAC Rule section 354.1923](#). MCOs must remove the NDC from their system by the above date.
