

**An Important Message from
The Texas Health and Human Services Commission (HHSC)**

**Evaluation Updates Webinar on May 19 for CHIRP, DPP BHS, RAPPS,
and TIPPS**

HHSC is hosting a webinar on **Monday, May 19, 2025, at 1 p.m. CDT** about evaluation updates for four directed payment programs (DPPs):

- Comprehensive Hospital Increase Reimbursement Program (CHIRP)
- Directed Payment Program for Behavioral Health Services (DPP BHS)
- Rural Access to Primary and Preventive Services Program (RAPPS)
- Texas Incentives for Physicians and Professional Services (TIPPS)

Evaluation updates on the Quality Incentive Payment Program (QIPP) will not be covered during this webinar. HHSC plans to include QIPP in next year's evaluation updates webinar.

Who Should Attend?

HHSC encourages all DPP participating providers, as well as STAR, STAR Kids, and STAR+PLUS Medicaid managed care organization (MCO) representatives to attend.

Why Should I Attend?

Providers and MCO representatives will learn how the DPPs have performed to date, including progress on DPP evaluation targets and the Texas Managed Care Quality Strategy goals. The webinar will also cover updates to future evaluations.

Can I Review the Materials Before the Webinar?

The evaluation for state fiscal year (SFY) 2022–2025 and the evaluation plan for SFY 2026 will be posted on the [DPP evaluation web page](#) before the webinar.
