Effective Jan. 1, 2025

UnitedHealthcare offers a Medicare Advantage plan in your area known as UHC Dual Complete VA-Y001 (HMO-POS D-SNP), a Dual Special Needs Plan (D-SNP), for individuals who are eligible for both Medicaid and Medicare.

UnitedHealthcare Community Plan of Virginia manages the Medicare Advantage benefits and reimburses you according to your existing contracted rates. This plan also includes benefits normally managed by Medicaid. This will have an impact on reimbursement for defined enrollees and or services. Please make sure to always validate eligibility and benefits before providing service.

Eligibility and benefits

Q. Who is eligible to participate in the plan?

A. D-SNP eligible members can include individuals with income and special needs qualifications, ages 65 and older, and people with special needs who are younger than 65. Individuals must qualify for Medicaid and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with special needs may also qualify.

Q. How can I check eligibility?

A. Always verify eligibility before providing services to a plan enrollee. You can check eligibility and benefits by:

- Using the Eligibility and Benefits tools on the UnitedHealthcare Provider Portal. To sign in, go to **UHCprovider.com** and click on the “Sign In” button in the top-right corner. Then, click on Eligibility. If you haven’t registered for the portal yet, go to **UHCprovider.com/newuser**. You can identify partial dual-eligible enrollees through the Eligibility and Benefits tools on the Provider Portal. Enrollees classified as partial will display as shown.
- Calling Provider Services at **1-844-368-7151** or the number on the ID card
- Asking for **all active** health plan ID cards at each visit including both primary and secondary **insurance** cards e.g., Medicaid

We’ve included an example of the UnitedHealthcare UCard to help you identify these enrollees. Please always refer to their active ID card for current details.

Q. Are referrals required for the plan?

A. For HMO, HMO/POS, LPPO, RPPO (open access) plans, referrals are not required if the enrollee seeks in-network care from a specialist. As part of the plan benefit design, enrollees can decide who they wish to visit for their care. Please check eligibility and benefits before providing services.

See service area county list located on last page.

Q. What are the advantages of the UHC Dual Complete VA-Y001 (HMO-POS D-SNP) plan?

A. Enrollees can continue to access core Medicare benefits along with Part D (pharmacy) benefits and targeted clinical programs and services. Additionally, the plan offers supplemental benefits and services that are not typically available through Original Medicare or Medicaid.

Q. How can an individual enroll in a Dual Special Needs Plan?

A. Prospective members can explore their options by visiting UHCCommunityPlan.com/VA or speaking to a licensed sales agent or during the Annual Enrollment Period, Oct. 15–Dec. 7. In addition, special election periods are available for dually eligible individuals.

1) The dual/LIS SEP1 will allow full-benefit dually eligible individuals (QMB+, SLMB+, FBDE), partial-benefit dually eligible individuals (QMB, SLMB, QI, QDWI), and Extra Help-only eligible individuals to make a once-per-month election into Original Medicare and a standalone prescription drug plan (PDP). It will also allow a once-per-month election to switch between standalone PDPs. This replaces the quarterly dual/LIS SEP.

2) The integrated care SEP will allow full-benefit dually eligible individuals (QMB+, SLMB+, FBDE) a once-per-month election into a fully integrated dual-eligible special needs plan (FIDE SNP), highly integrated dual-eligible special needs plan (HIDE SNP) or an applicable integrated plan (AIP). It must be used to align enrollment with an integrated Dual Special Needs Plan (D-SNP) and Medicaid managed care organization (MCO).

Care provider reimbursement

Q. How will I be reimbursed for the UHC Dual Complete VA-Y001 (HMO-POS D-SNP) plan?

A. We will reimburse you according to your existing Medicare Advantage contracted rates, for eligible and covered services, up to the defined benefit value and process all necessary Medicare cost-share portions, payable by Medicaid, up to the Medicaid allowable reimbursement rates. In addition, we are also responsible for the management and payment of Virginia Medicaid benefits. Those Medicaid-only covered services will be reimbursed according to your existing Virginia Medicaid contracted rates. At times, you may receive 2 provider remittance advices (PRAs) for services covered by both Medicare and Medicaid.

Health care professionals may not attempt to collect additional reimbursement from D-SNP enrollees whose Medicaid benefits cover all Medicare cost-sharing components. These enrollees are not responsible for Medicare cost-sharing under CMS regulations. Medicare cost-sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

Q. As a health care professional, do I need to be enrolled in Medicaid to receive the remaining reimbursement?

A. Yes. You are required to enroll or register with the state Medicaid plan to support state requirements when providing services to eligible individuals enrolled in a fully integrated dual-eligible plan that covers all Medicare and state Medicaid benefits. If you decide not to enroll or re-enroll with the state Medicaid program, you will no longer be eligible to participate in this program.
