Coverage Rationale

Patient lifts are proven and medically necessary in certain circumstances. For medical necessity clinical coverage criteria, refer to the InterQual® CP: Durable Medical Equipment, Patient Lift System.

Click here to view the InterQual® criteria.

Applicable Codes

The following list(s) of procedure and/or diagnosis codes is provided for reference purposes only and may not be all inclusive. Listing of a code in this policy does not imply that the service described by the code is a covered or non-covered health service. Benefit coverage for health services is determined by the member specific benefit plan document and applicable laws that may require coverage for a specific service. The inclusion of a code does not imply any right to reimbursement or guarantee claim payment. Other Policies and Guidelines may apply.

| HCPCS Code | Description |
|-------------------|--|
| E0621 | Sling or seat, patient lift, canvas or nylon |
| E0630 | Patient lift, hydraulic or mechanical, includes any seat, sling, strap(s), or pad(s) |

| HCPCS Code | Description |
|-------------------|--|
| E0635 | Patient lift, electric, with seat or sling |
| E0636 | Multipositional patient support system, with integrated lift, patient accessible controls |
| E0639 | Patient lift, moveable from room to room with disassembly and reassembly, includes all components/accessories |
| E0640 | Patient lift, fixed system, includes all components/accessories |
| E1035 | Multi-positional patient transfer system, with integrated seat, operated by care giver, patient weight capacity up to and including 300 lbs. |
| E1036 | Multi-positional patient transfer system, extra-wide, with integrated seat, operated by caregiver, patient weight capacity greater than 300 lbs. |

Instructions for Use

This Medical Policy provides assistance in interpreting UnitedHealthcare standard benefit plans. When deciding coverage, the federal, state or contractual requirements for benefit plan coverage must be referenced as the terms of the federal, state or contractual requirements for benefit plan coverage may differ from the standard benefit plan. In the event of a conflict, the federal, state or contractual requirements for benefit plan coverage govern. Before using this policy, please check the federal, state or contractual requirements for benefit plan coverage. UnitedHealthcare reserves the right to modify its Policies and Guidelines as necessary. This Medical Policy is provided for informational purposes. It does not constitute medical advice.

UnitedHealthcare may also use tools developed by third parties, such as the InterQual® criteria, to assist us in administering health benefits. The UnitedHealthcare Medical Policies are intended to be used in connection with the independent professional medical judgment of a qualified health care provider and do not constitute the practice of medicine or medical advice.
