

# UnitedHealthcare Medicare Advantage Prior Authorization Requirements

November 1, 2023

## General Information

This list contains prior authorization requirements for care providers who participate with UnitedHealthcare Medicare Advantage for inpatient and outpatient services. This includes UnitedHealthcare Dual Complete and other plans listed in the following “Included Plans” section. Health plans excluded from the requirements are listed in the “Excluded Plans”

To request prior authorization, please submit your request online or by phone:

- **Online:** Use the Prior Authorization and Notification tool on UnitedHealthcare Provider Portal. Go to [UHCprovider.com](https://UHCprovider.com) and click on the UnitedHealthcare Provider Portal button in the top right corner. Then, select the Prior Authorization and Notification tool on your Provider Portal dashboard.
- **Phone:** 877-842-3210

### **Prior authorization is not required for emergency or urgent care.**

Note: If you are a network provider who is contracted directly with a delegated medical group/IPA, then you must follow the delegate’s protocols. Delegates may use their own systems and forms. They must meet the same regulatory and accreditation requirements as UnitedHealthcare.

**Plans with referral requirements:** If a member’s health plan ID card says “Referral Required,” certain services may require a referral from the member’s primary care provider and prior authorization obtained by the treating physician. You can find more information about the referral process in the 2023 UnitedHealthcare Care Provider Administrative Guide at [UHCprovider.com/guides](https://UHCprovider.com/guides).

### **The following listed plans require prior authorization for in-network services:**
