Prior authorization requirements for Surest health plans

Effective May 1, 2025

General information

This list contains notification/prior authorization review requirements for participating UnitedHealthcare commercial plan health care professionals providing inpatient and outpatient services for members enrolled in Surest® plans.

This list changes periodically. Updates are announced routinely in the UnitedHealthcare Network News.

Please submit your request in 1 of the following ways:

- Online: Use the Prior Authorization and Notification tool on the UnitedHealthcare Provider Portal. To get started, go to UHCprovider.com and click Sign In at the top-right corner to log in using your One Healthcare ID and password. Then, select the Prior Authorization and Notification tab on your dashboard. If you don't have a One Healthcare ID, visit UHCprovider.com/access.
- Phone: Call 877-842-3210

Notification/prior authorization is not required for emergency or urgent care.

Surest Flex plan - Flexible coverage activation

Some members have the Surest Flex plan, which includes the feature of flexible coverage. Services that require flexible coverage activation are listed in the following table. The member must activate flexible coverage at least 3 business days in advance of receiving the service. Services that require flexible coverage activation do not require prior authorization.

Behavioral health services

Flex Members do not require prior authorization, however IP cases require case creation for notification only.

The following behavioral health services require notification/prior authorization:

- Acute inpatient
- Residential treatment center
- Partial hospitalization

Submit notification online or by calling 877-842-3210

		Please check of most up-to-date	our Review at Launch e information on drugs	for New to Market M newly approved by the	edications policy for the e Food and Drug		

Please check our <u>Review at Launch for New to Market Medications</u> policy for the most up-to-date information on drugs newly approved by the Food and Drug Administration (FDA) and included on our <u>Review at Launch Medication List</u>. Predetermination is highly recommended for the drugs on the list.

¹ For unclassified and temporary codes C9399, J3490 and J3590, notification/prior authorization is only required for Nulibry[®], Ocrevus Zunovo[™], Revcovi[®], and Rivfloza[™] ² For some codes, prior authorization is required for both oncology and non-oncology DX.

For oncology DX please see Cancer supportive care sections above.

³For code J0885 prior authorization is required for both oncology and non-oncology DX. For oncology DX please see *Cancer supportive care* sections above Prior authorization is not required for ESRD diagnosis

⁴ As stated in the UHC medical drug policy, Aduhelm® is unproven and not medically necessary for the treatment of Alzheimer's disease due to insufficient clinical evidence of efficacy

⁵ Some members may not have coverage for these drugs
